About this item

- **STRONGEST MOLD KILLER:** RMR-141 RTU Mold Killer and Disinfectant inhibits the growth of mold and mildew; eliminates odors; and disinfects in one easy step. It's a powerful, safe, and effective way to remove mold, bacteria, and viruses
- **EPA REGISTERED:** This mold and mildew removal spray is the only EPA-registered disinfectant that has been tested and registered by global health authorities in the presence of approximately 100% organic soil tolerances.
- **POSITIVELY CHARGED DISINFECTANT:** RMR-141 RTU Mold Killer is a positively charged disinfectant that is powerful and works to easily track down and stick to negatively charged bacteria.
- **KILLS 99.9% OF BACTERIA:** Our mildew, odor, and mold-removal spray kills 99.9% of household bacteria and odor-causing bacteria. It's fungicidal and effective against a broad spectrum of bacteria. When used as directed, the product inhibits odors.
- **MULTIPLE APPLICATIONS:** Our mold killer has a broad-spectrum fungicide, virucide, and disinfectant formula that kills mildew and more than 141 different microorganisms. This product is for use in households, hospitals, restaurants, and institutions
